IBU: 70 6.5%
- Epic Brewing Co. "Armageddon" IPA Auckland, NZ 14
In the beginning, there was nothing. Then an impish brewer piled a ludicrous amount of hops into a batch of beer. This zymurgical big bang is Epic Armageddon, an apocalyptic assault on your preconceptions and taste buds. It may be too huge for this fragile planet so enjoy this beer like it was the last one on Earth.
Malt: English Pale Ale, Caramalt
Hops: Cascade, Centennial, Columbus, Simcoe
IBU: 66 6.66%
- Epic Brewing Co. "Hop Zombie" Double IPA Auckland, NZ 16
Hops have taken over the world. Permeated the senses of the minions. Hop Zombies now roam the streets. Lupulin ichor oozing from ravaged legions. Gorging, gouging, masticating. Salivating over insane hop flavours and aromas. The time is nigh. No more festering away in hopeless oblicion. Join the Hop Zombie Revolution.
Malt: Pale Ale, Pilsner
Hops: Classified
IBU: 90 8.5%
- Doctor's Orders "Malpractice" India Stout Sydney 12
India Saisons and India Stouts. Brewers putting twists on heritage styles and looking to give them a new home. Enter another such exhibit. A dry stout packed with an abundance of hops including hops in the latest more potent form, hop hash. We hope you can taste and enjoy the deviation from tradition.
Malt: Ale, Roasted Wheat, Crystal Light, Chocolate Light
Hops: Target, Chinook, Citra
IBU: 50 5%
- 5 Barrel Brewery "Imperial Stout 2017" Wollongong 14
Imperial Stouts are to be savoured entirely. They are strong and rich with big roasty flavours and sweet, malty bodies to balance out the alcohol. Our Imperial Stout is brewed in January and aged on oak for 4 months to absorb the flavours of the barrel and mature slowly. The strong coffee/chocolate flavours work wonderfully with the plum and raisin qualities from the Shiraz. The body is full and rich, clinging to the glass and providing a sweet stickiness giving the hint that you're sipping a wonderfully warming port.

Malt: Pale, Chocolate Malt, Carafo 3, Dark Crystal
Hops: Topaz
IBU: 50 9.7%
